### WHAT CLIENTS SAY

“ I am an Internist. I studied from Qbank only. I would quickly read the chapter in TN , then do Qbank questions and go back to read and understand things. This saved much time. I managed to do only 2000 question nearly. The exam style was too close, i wish i did all the bank, as then i would have secured a higher mark even.

**SURESH**  
Student, AndhraPradesh, India

“ Used the IndiaQBank for 2 month and got good score, Really helped familiarize nature and style of questions on the actual exam.

**RAJU**  
Student, Delhi, India

### OUR FEATURES

Performance Monitoring	
You rely on your performance, so an easy to understand and simple performance tracking tool is an important addition to your arsenal. The standard deviation graph allows you to monitor your progress and provides a visual representation of where you stand in the competition. As your performance gets better you will notice that your percentile ranking improves as well!
